1905

As early as 1905 **STEYR MANNLICHER** presented their first TAKE DOWN concept based on the legendary MANNLICHER SCHOENAUER model. After numerous new developments a further milestone followed in 1977: the particularly elegant MANNLICHER LUXUS.

Now for the **IWA 2007** STEYR MANNLICHER will present a modern synergy of both concepts: the new **MANNLICHER *Luxus***

We would be very pleased to welcome you at our **presentation** on **March 9th, 2007, 10:00 a.m. in Hall 3, Stand 123.**
